

WOODCHESTER MANSION

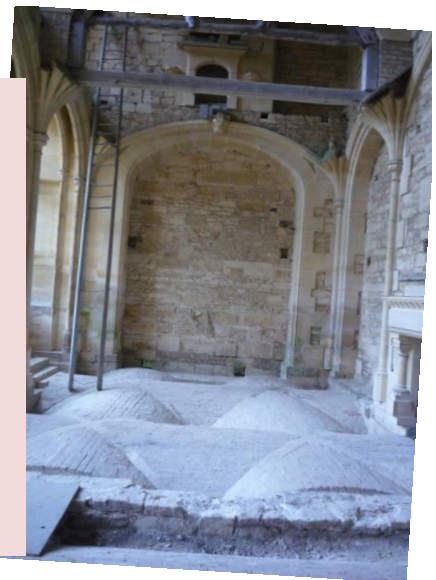

For **SCHOOLS**

Unique an intriguing place hidden away in a secret wooded valley, perfect for giving children of all ages freedom to explore, experience, investigate, look, record, learn and find out for themselves

Unfinished a mysterious Gothic building showing Victorian construction techniques, with scaffolding, tools and ladders left just as they were when the masons left in 1872. Gargoyles look down and bats live in the roof.

Unlimited opportunities across the whole Curriculum for creative writing, art and design. practical science and maths. History topics could include Homes in the Past, Victorian family life, contrast between Rich and Poor, Occupations. Use our photographs, costumes and artefacts for your historical enquiry
