2. The membership year shall be from 1st January to 31st December. However, WMT reserves the right to increase the Annual Fees as often as necessary and by such amount as is considered appropriate to reflect the rights and benefits provided to members, inflation and such other issues as WMT considers relevant, including the charges made by other institutions. WMT also reserves the right to forego or reduce the Fee for those who in the directors' opinion have made exceptional contributions to the charity over an extended period.
5. Members who do not pay the Annual Fee within thirty days of receiving a written or email reminder that their Annual Fee remains outstanding will be removed from the Register of Members, whereupon they will cease to be entitled to the above-mentioned rights and benefits.
6. By applying for membership to the Woodchester Mansion Trust Limited you agree to support the aims and objectives of WMT (principally the preservation and restoration of the Mansion as far as practicable to its original condition at the time of its abandonment in 1873, and the provision of education and training facilities to stonemasons, architects and others concerned with Cotswold stone building and other traditional skills). You also undertake to observe and be bound by (i) WMT's Memorandum and Articles of Association which include an obligation to contribute a one off payment of not more than £1 (one pound) to WMT's assets, but only in the event of WMT being wound up and by (ii) the terms and conditions of membership set out above.
